STEP 1 OF 3 · 2 MIN

Choose the album

In Gallery open Festa patronale di San Rocco.

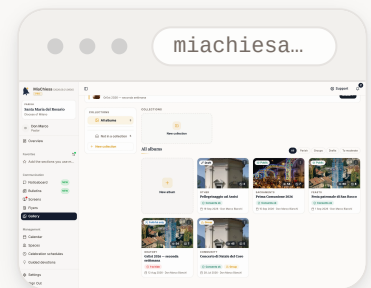

Fig. 1 The card opens the selected album editor.

2

STEP 2 OF 3 · 2 MIN

Find the handle

In Photos use the handle in the top-left corner of a thumbnail. The editor hint tells you to drag it to reorder.

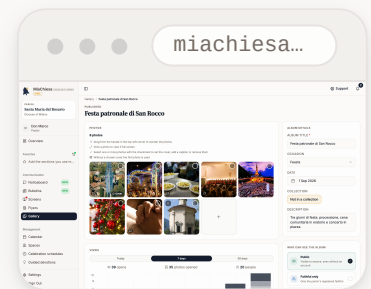

Fig. 2 The grid shows the current order, cover and drag handle for each photo.

STEP 3 OF 3 · 2 MIN

Check the new order

Drag the photo to the desired position and release it. The grid saves the new order; the photo marked Cover remains the separately chosen cover.

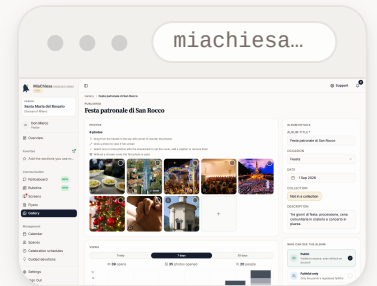

Fig. 3 The reordered capture preset shows the third photo first; it does not simulate a drag, and the cover is unchanged.

What you have achieved

- ✓ You can arrange photos while keeping sequence and cover distinct.

Troubleshooting

Dragging does not start
