Before you begin

- ✓ You need the Manage choir repertoire permission.

1 STEP 1 OF 3 · 2 MIN

Review the songbook

Open Choir on the Songbook tab. It contains songs already chosen by the community, grouped by liturgical moment.

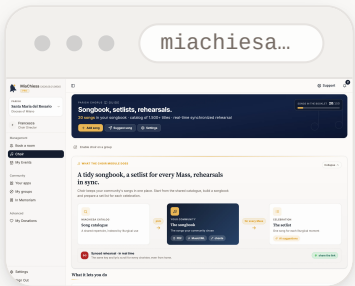

Fig. 1 The Songbook shows the current repertoire and actions available to its managers.

2 STEP 2 OF 3 · 2 MIN

Open the catalog

Select Add song. The catalog supports title and lyrics search plus moment and theme filters.

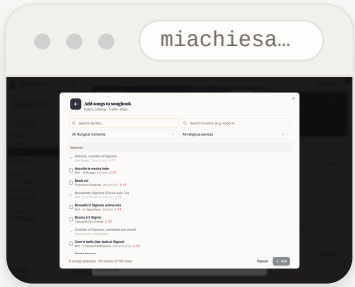

Fig. 2 The public catalog is open over the songbook; no song is selected yet.

STEP 3 OF 3 · 2 MIN

Find the candidate

Search for Grazie Padre Buono and review the result. Adding it requires selecting it and confirming Add to songbook; here the candidate has only been found.

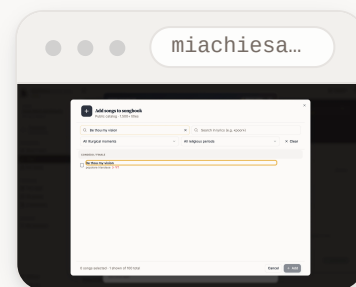

Fig. 3 The song has been found in the catalog, but it has not been selected or added to the songbook.

What you have achieved

- ✓ You can open the catalog and find a song to consider for the repertoire.

Troubleshooting

Add song is missing

The songbook remains readable, but the action requires Manage choir repertoire.
