

Lead a choir rehearsal

Start a synchronized rehearsal from a setlist and guide the move between songs.

6 min · Available · 2026-09-21

Before you begin

- ✓ You need the Lead choir rehearsals permission in the setlist's scope.
- ✓ The setlist must contain at least one song.

1 STEP 1 OF 3 · 2 MIN

Open the setlist

Open the setlist detail and review the song order. Start synced rehearsal appears only for someone allowed to lead it.

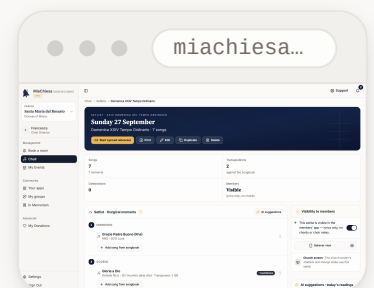

Fig. 1 The setlist is ready to start a rehearsal session.

2 STEP 2 OF 3 · 2 MIN

Start the rehearsal

Select Start synced rehearsal. A live session opens on the first song; key, scrolling and the current song can be synchronized with people following the link.

STEP 3 OF 3 · 2 MIN

Advance through the setlist

Use Next song to move to the following piece. The change updates the session's current song; End closes the rehearsal.

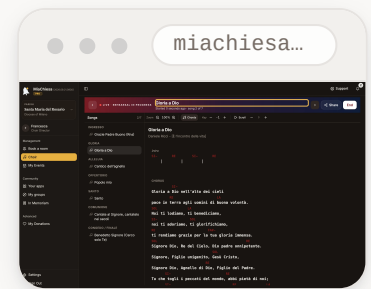

Fig. 3 The live session now shows Gloria a Dio as the current song.

What you have achieved

- ✓ You can start the rehearsal and guide movement through the setlist.

Troubleshooting

The start action is missing

You need Lead choir rehearsals in the setlist owner's scope; an assignment to a different choir is not enough.
