

Assign a playlist to a screen

Open a device with no content and link an existing playlist from its queue.

6 min · Available · 2026-09-21

Before you begin

- ✓ You need the Manage screens permission.
- ✓ At least one playlist must exist.

1 STEP 1 OF 3 · 2 MIN

Find the device

In Screens find Dispositivo sconosciuto, which is Pending and has no assigned playlist.

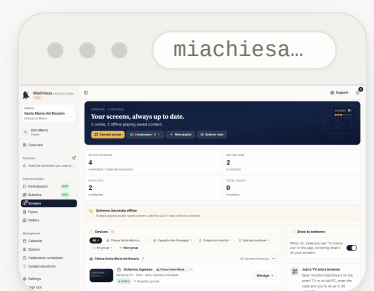

Fig. 1 The pending device is the one without a playlist.

2 STEP 2 OF 3 · 2 MIN

Open its details

Open the device and find In queue. When no playlist is linked, Assign playlist is available.

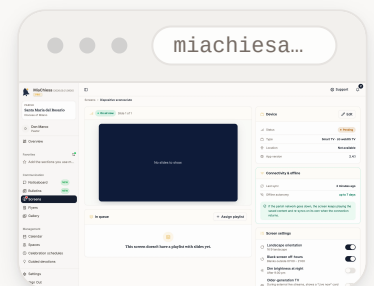

Fig. 2 The empty queue offers the Assign playlist command.

3

STEP 3 OF 3 · 2 MIN

Choose the playlist

Select Assign playlist, then Carosello Domenica. The detail updates its queue and shows Edit playlist.

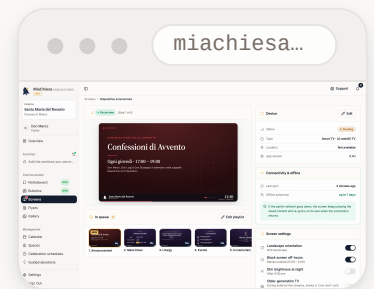

Fig. 3 Carosello Domenica has been assigned in the demo; the queue now shows its slides.

What you have achieved

- ✓ You can link an existing playlist to a device that has no content.

Troubleshooting

Assign playlist is missing

The command appears on devices with no playlist and requires Manage screens.
