8 min · Context-dependent availability · 2026-09-21

Before you begin

- ✓ Devotions must be enabled for the selected community.
- ✓ Sign in if you want resume progress and personal history synchronized across devices.
- ✓ The community must use the Roman or Ambrosian rite; the module is not shown in Byzantine-rite contexts.

1 STEP 1 OF 4 · 1 MIN

Choose a devotion

Open Devotions and select **Pray now** under Today's devotion, or choose another listed journey such as the Rosary, Chaplet of Divine Mercy or Stations of the Cross when available. The estimated duration appears before you open it.

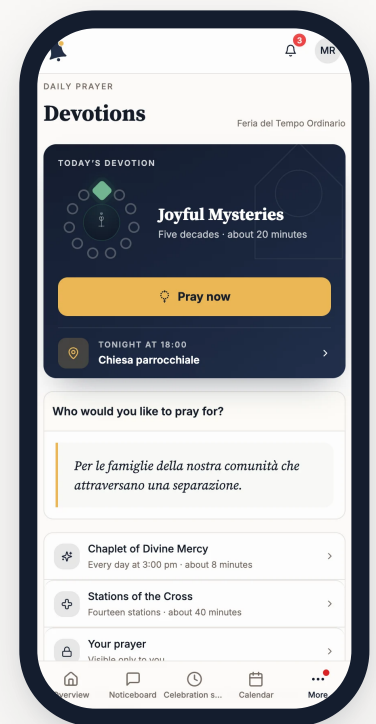

Fig. 1 Devotions highlights today's suggestion with **Pray now** and lists the other available journeys.

STEP 2 OF 4 · 2 MIN

Prepare the prayer

For the Rosary, choose The mysteries. Under Who would you like to pray for? select the community intention, a private intention or no written intention; enter the text when you choose a private intention. Adjust reading preferences and select Begin, or Resume to continue saved progress.

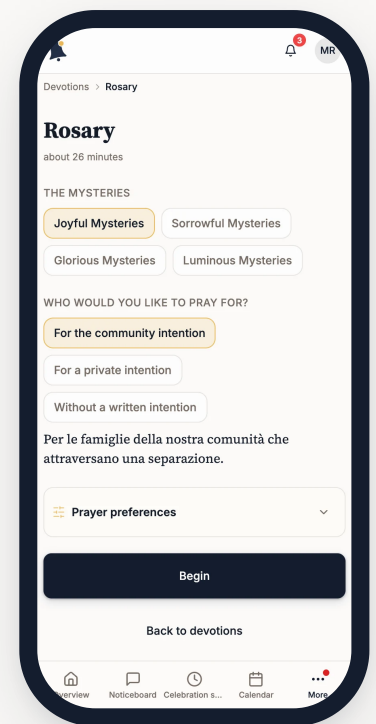

Fig. 2 The preflight screen offers mystery, intention and preference controls, followed by Begin or Resume.

STEP 3 OF 4 · 3 MIN

Move through the journey

Use Next and the back-arrow button to move one step at a time. Decades and stations jumps to the beginning of a section, while A- and A+ change text size. Pause closes the reader while preserving the current point on the device and, for a signed-in account with history enabled, in the profile.

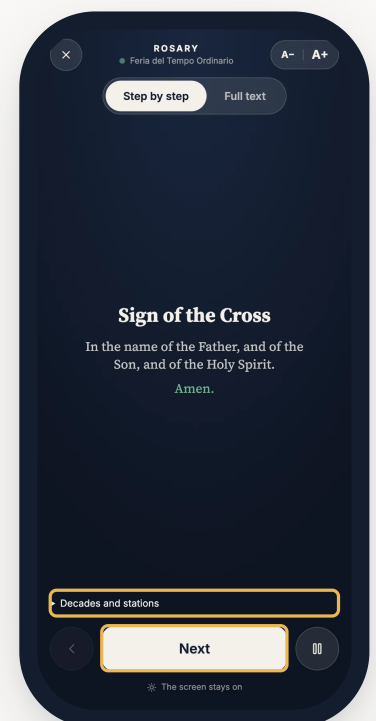

Fig. 3 During the journey, you can open Decades and stations, pause, or move to the next segment.

STEP 4 OF 4 · 2 MIN

Finish with Amen

On the final step select Finish. The Amen. screen confirms completion: use Back to Today to return to the collection or Your prayer · for you alone to open history when signed in.

What you have achieved

- ✓ You reached the Amen. screen for the selected journey.
- ✓ When personal history is enabled, you can resume or review prayers from your profile.

Troubleshooting

Devotions is missing

Check that the feature is enabled and that the selected community uses the Roman or Ambrosian rite. Byzantine-rite contexts and confessions for which the module is excluded do not show this section.

Resume is missing

Resume appears only when incomplete progress exists for that devotion. Sign in and enable personal history to synchronize it across devices.
