2 STEP 2 OF 4 · 30 S

Turn on "In chiesa ora"

Turn the switch on: the message "Believers can now see "In chiesa ora"." appears and the **In church** entry shows up in the believers' app.

STEP 3 OF 4 · 1 MIN

Choose which screens to show

Open a screen with **Manage** and, under **Screen settings**, turn on **Also in the believer app**: this screen's playlist is then also shown in "In chiesa ora". If the screen has no playlist, the switch is disabled and "Assign a playlist to this screen first" appears under it.

The setting belongs to the playlist: it applies to every screen using it. If you turn on more than one, believers choose which to watch.

A notice on the screens

To put a Noticeboard notice on the screens, open it and turn on **Show on screens**: "Notice added to screens" appears.
