Open MiaChiesa and, on the sign-in page, select **Sign up here** next to "Don't have an account?". **Create your account** opens.

It contains input fields for 'FIRST NAME *' (filled with 'Maria'), 'LAST NAME *' (filled with 'Rossi'), 'EMAIL *' (filled with 'maria.rossi@example.com'), 'PASSWORD *' (filled with 'Password'), and 'CONFIRM PASSWORD *' (filled with 'Confirm password'). Find your community

On first sign-in the app asks **How do you prefer to read?**: choose the text size and select **Continue** (or **This is fine**). In **What brings you here?** select **Find your community**.

In **Find your community** search by name, filter by diocese or use **Near me**. Select **Follow** next to the community; tapping the name opens its public page instead.

Can't find your community?

If the search returns nothing, at the bottom of the list you'll find "Looking for a community not yet on MiaChiesa? Invite whoever leads it to activate it."

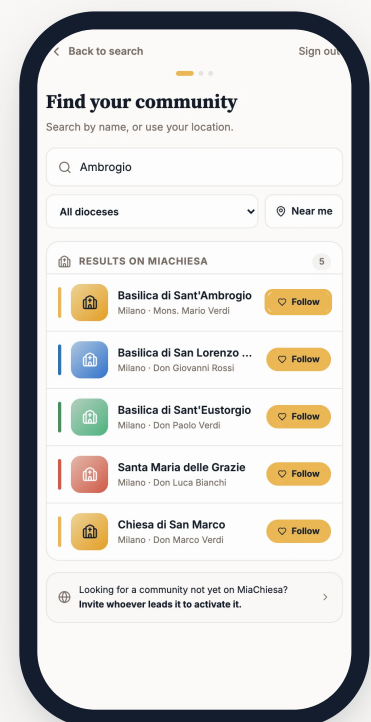

A mobile app screenshot of the 'Find your community' screen. The screen has a search bar with the text 'Ambrogio'. Below the search bar are two filters: 'All dioceses' and 'Near me'. The results are listed under the heading 'RESULTS ON MIACHIESA'. There are five results, each with a church icon, the name of the church, the location and priest, and a 'Follow' button. The results are: 'Basilica di Sant'Ambrogio' (Milano - Mons. Mario Verdi), 'Basilica di San Lorenzo ...' (Milano - Don Giovanni Rossi), 'Basilica di Sant'Eustorgio' (Milano - Don Paolo Verdi), 'Santa Maria delle Grazie' (Milano - Don Luca Bianchi), and 'Chiesa di San Marco' (Milano - Don Marco Verdi). At the bottom, there is a link 'Looking for a community not yet on MiaChiesa? Invite whoever leads it to activate it.'.

Troubleshooting

I see "Temporary emails are not allowed"

Use a permanent email address: disposable inboxes are not accepted.

I see "You must accept the Privacy Policy to continue"

Tick the Privacy Policy and Terms of Service acceptance, then select Sign Up again.

I see "Passwords do not match"

Type the same password in both Password and Confirm Password.

I see "No results. Try another name or invite whoever leads it."

Try the town name or part of the name; if the community isn't on MiaChiesa, invite whoever leads it to activate it.
