SECTION 1

The four plans

MiaChiesa has a free plan, **Base**, and three paid plans: **Essentials**, **Pro** and **Max**. To compare them open **Settings** → **Plan & usage** and select **Change plan**: in the Store each card shows the price, the fee on in-app payments and the main limits, and your plan is labelled **Current plan**.

Prices and fee

Plan	Monthly	Yearly	MiaChiesa fee
Base	€0	€0	5%
Essentials	€14.90/month	€149/year (€12.42/month)	3%
Pro	€34.90/month	€349/year (€29.08/month)	1.5%
Max	€69.90/month	€690/year (€57.50/month)	0%

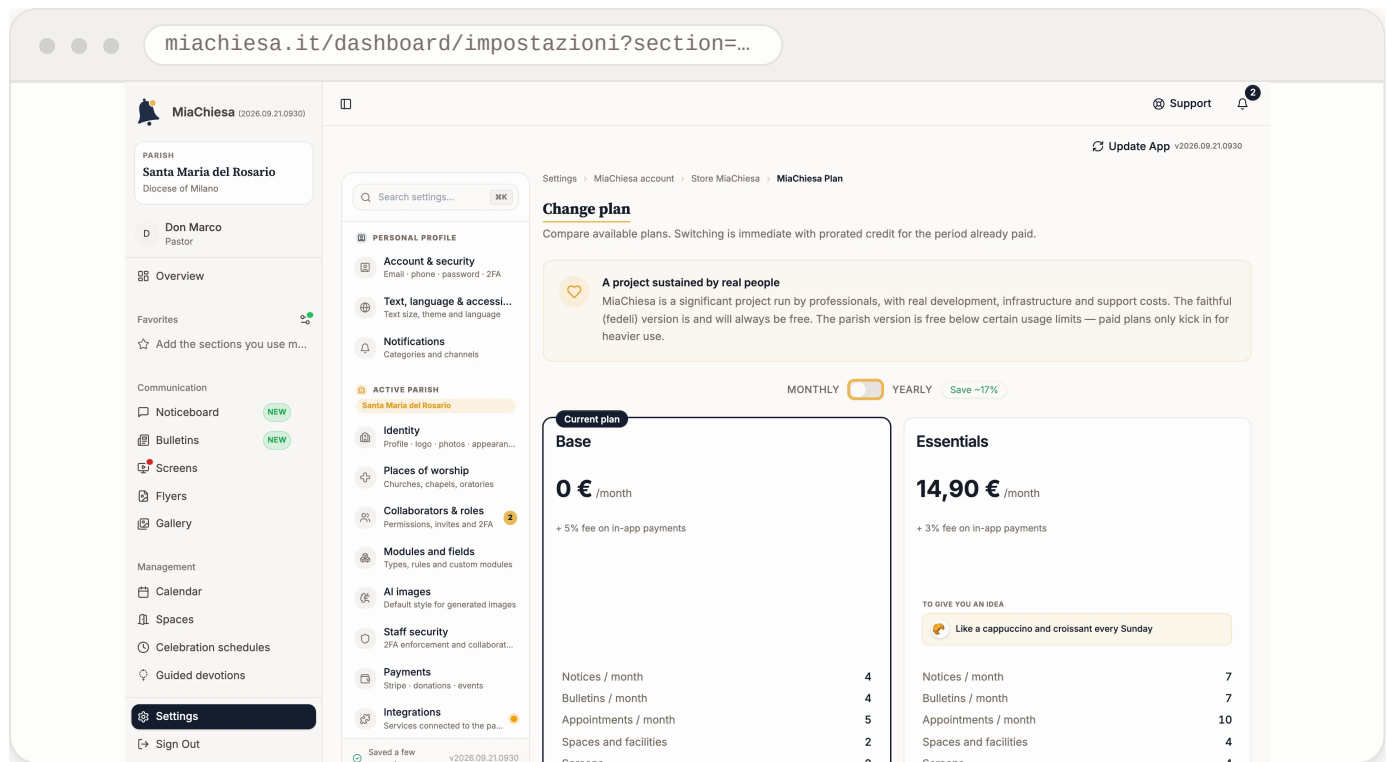

Fig. 1 Each card shows price, fee and limits.

SECTION 2

Monthly or yearly

Above the cards, the **Monthly** / **Yearly** switch shows the prices with yearly billing ("Save ~17%"): Essentials, for example, costs €12.42 a month and saves €29.80 a year. Pro saves €69.80 and Max €148.80 a year.

With an active subscription, changing the billing asks for confirmation, because it may charge you.

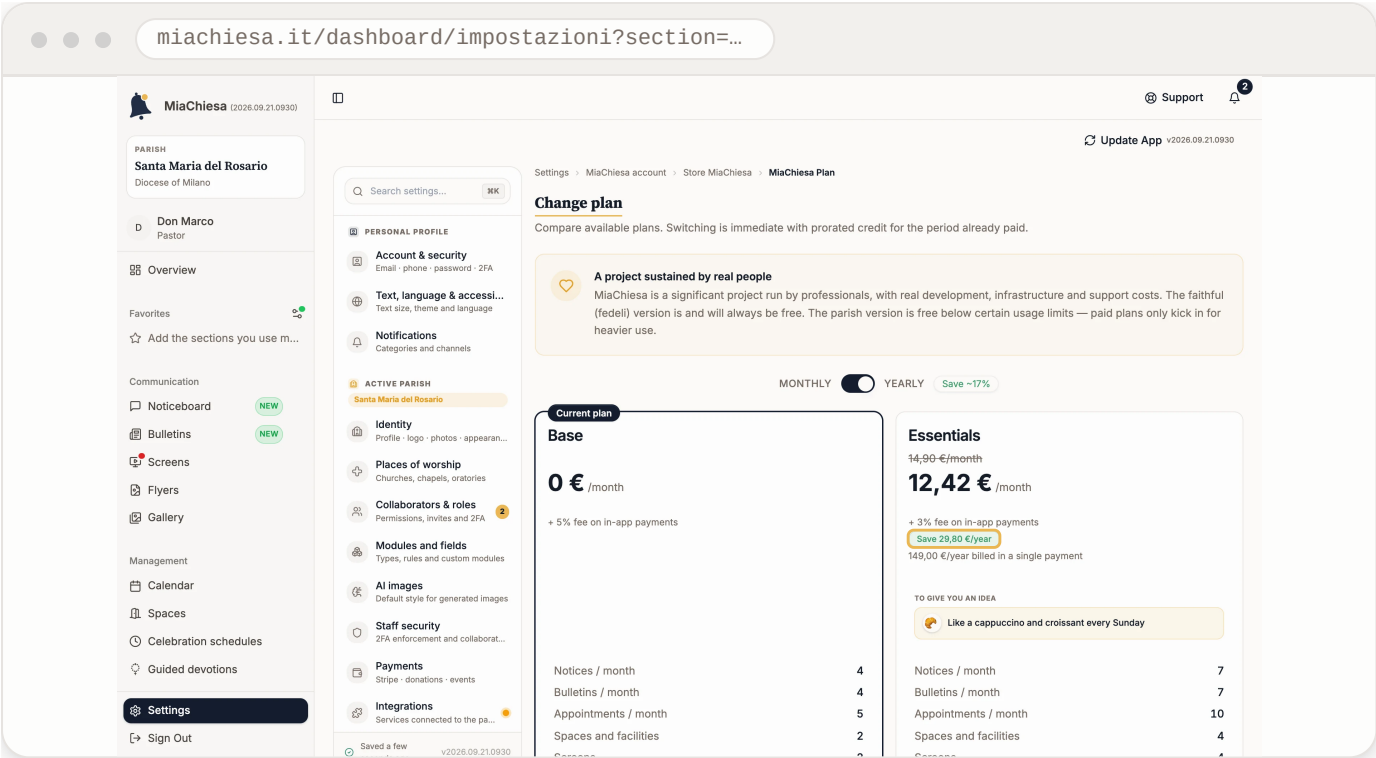

Fig. 2 With Yearly you see the equivalent monthly price and the saving.

SECTION 4

Fee on payments

On payments families make in the app (for example donations, events, catechism and GrEst) MiaChiesa keeps the plan’s fee: 5% with Base, 3% with Essentials, 1.5% with Pro, 0% with Max. In a Merged pastoral unit the unit’s plan applies to all its parishes.

Stripe’s fee is separate and does not depend on the plan: 1.5% + €0.25 for European cards, 2.5% + €0.25 for non-EU cards. You find it in **Settings** → **Payments**, under **Stripe Fees**.

SECTION 5

What the pastoral unit costs

The pastoral unit is an add-on: it costs €9.90 a month or €89.90 a year and requires the Essentials plan or higher. You activate it from **Settings** → **Store MiaChiesa**, on the **Unità Pastorale** card in the Add-on section (the card is currently shown in Italian); if you manage only one parish, the card first offers to request another one.

If your plan is Base, activation goes through checkout with the Essentials plan and the add-on together.

Merged mode and fee

In Merged mode the pastoral unit's plan counts: with Max, for example, the MiaChiesa fee is 0% on the payments of every parish of the unit.
