

Add a slide to a playlist

Open a playlist, choose a custom slide and prepare its title and subtitle in the preview before saving.

6 min · Available · 2026-09-21

Before you begin

- ✓ You need the Manage screens permission.
- ✓ The playlist must already be saved before the slide editor can open.

1

STEP 1 OF 3 · 2 MIN

Open the playlist

In Screens open Carosello Domenica. Sequence shows its existing slides and the Add content command.

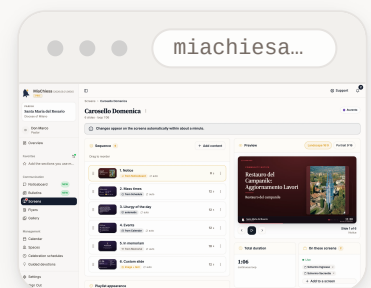

Fig. 1 The saved playlist shows its existing sequence before content is added.

2

STEP 2 OF 3 · 2 MIN

Choose the slide

Open a new Custom slide. The editor shows Content type, Content · Custom and Live preview.

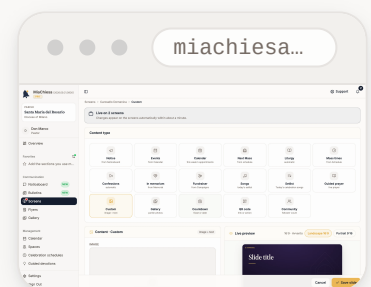

Fig. 2 The new slide is open in the editor and ready for content.

3

STEP 3 OF 3 · 2 MIN

Prepare the text

Enter a title and subtitle, then check the preview. The content remains in the form until you select Save slide.

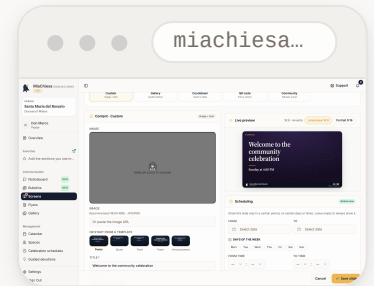

Fig. 3 The title and subtitle are prepared in the editor; the slide has not been saved.

What you have achieved

- ✓ You can prepare and preview a custom slide before saving it.

Troubleshooting

The editor will not open

Save the playlist first, then add or edit the slide with an account that has Manage screens.
